

## Decisions, Decisions

Sometimes it seems our choices are terribly limited. But you ALWAYS have these two.

## Slide Guitar

Drawn from a Dobro on a Jerry Douglas album. Yeah, the grass should be blue.

## Kokopuffi

The Kokopelli, a petroglyph of a man playing a flute, is ubiquitous in the US southwest, and is creeping into pop culture. I guess worse things could creep in, like commercial mascots.

**Jerry Lee Lettuce**

The Killer AND an important part of your food pyramid.

**The Yum Yum Tree**

Name from a 1963 movie I've never seen. The name just stuck with me, and seemed to go well with this image.
